

Programming

We are planning to have over 200 hours of programming and events at MidSouthCon 40. Some of things you can expect to see at the upcoming convention: panels, presentations, workshops, Cosplay Masquerade, Charity Auction, signings, our annual midnight showing of the Rocky Horror Picture Show, filk, a Banquet, & more! In addition to our Guests of Honor, we will have a multitude of experts, authors, publishers, artists, and other guests.

Gaming

About half the people who attend MidSouthCon come to play games, making it the area's largest gaming convention. At the last MSC, gamers played nearly 100 RPGs, almost 1000 board games, multiple LARPs and social games, plus a Starship bridge simulator, miniatures, and CCGs. We also have a **dedicated video game room**, complete with video game tournaments. In addition to the scheduled games, our **Board Game Lending Library has over 500 hundred games** for you to play throughout the weekend, and the main game room never closes—it is open **24 hours a day** the entirety of the con. There are also raffles for playing games, play-to-win games, and tournaments with prizes.

GMs can get a free or discounted membership on our website at https://midsouthcon.org/running_games/

Dealer's Room & Art Show

Every year vendors from around the country come to MidSouthCon to exhibit & sale their wares: books, crafts, collectibles, t-shirts, jewelry, games – find all that and more in our **Dealers Room!** MidSouthCon has always been proud of its **Art Show** and the large variety of science fiction, fantasy, horror and other genre art available for our attendees to view & purchase.
