MIDSOUTHCON 41

MARCH 20-22, 2026 MEMPHIS, TN

MidSouthCon is the longest-running annual fan-run regional multi-genre Science Fiction Convention in the Mid-South. We have **tons** of programming and fun including panel discussions, **'round the clock gaming**, the annual Art and Charity Auctions, a Masquerade, and new events this year!

In addition to the gaming and programming, we have a first class Art Show featuring art for sale by artists from across the country. We also have a well-stocked Dealers' Room for completing your perfect costume, filling the holes in your action figure collection, or finding the perfect gift for the fan in your life!

MidSouthCon is presented by Mid-South Science and Fiction Conventions, Inc, a 501(c)3 company who uses this convention to raise money for charities like Literacy Mid-South and the Science Fiction Writers of America Emergency Medical Fund. To date we have raised over \$70,000 for our charities

Guests of Honor:
